

BARI KOTHI

AZIMGANJ, MURSHIDABAD

PRINTED HOTEL TARIFF

For the Period April 2026 – March 2027

A Stay Curated to Your Interest

The distinction of our team lies in shaping every guest's time in Murshidabad around what draws them here. We typically place guests' interests into three groups — **textile**, **culture**, and **heritage** — and tailor the itinerary accordingly. Every sightseeing-inclusive package already includes an English-speaking translator and a local guide, a combination we've found essential to experiencing Murshidabad well.

Stay pricing is offered in two packages: **(a)** stay with all meals, and **(b)** stay with all meals and sightseeing, with or without transportation.

Please Note

1. **These are our special direct rates.**
2. The rates provided are for one suite on a per-night basis; double and single occupancy are indicated separately.
3. The above rates are **exclusive of taxes** (GST @ 18%, as applicable), which shall be charged additionally.
4. **All Meal / Experience Plans** are inclusive of all meals and cultural / entertainment evenings, along with the Heritage Walk and visits to the 250-year-old Terracotta Temples and the 150-year-old Jain Temples.
5. The above rates do not include any beverages consumed.
6. We are a pure vegetarian property and serve 300-year-old story-telling “**Sheherwali**” meals amongst other cuisine.
7. **All Meal Experience and Sightseeing Plan:** as per the itinerary on our website, this includes all inland and water transportation in and around Murshidabad, along with a local guide and translator, so that the guest experience is never hampered by local knowledge or language barriers. We recommend the All-Inclusive Plan for a seamless visit — in our experience, drivers and English-speaking guides sent from Kolkata are not well acquainted with local routes and issues, which can cause confusion and discomfort for guests.
8. Certain sightseeing options that are otherwise included in the Sightseeing Plan are also available individually on a chargeable basis (such as visits to Hazarduari Palace, the Weavers' Village, Katgola Palace, and Katra Mosque), in the event the Sightseeing Plan is not opted for.
