Onward to North Bengal & Malda

AZIMGANJ JUNCTION → MALDA TOWN · NEW JALPAIGURI · DARJEELING HILLS

Guests continuing to Darjeeling, Kalimpong or the Dooars can join a northbound train at Azimganj rather than returning to Kolkata; New Jalpaiguri is the railhead for the hills. The quickest way is to drive from Bari Kothi to Malda Town, about three hours, and take the Vande Bharat Express from there. We can arrange the car. These services pass through Azimganj, so halts are short and timings are revised seasonally: tell us your date and we will confirm and book for you.
